---

### PROFESSIONAL EXPERIENCE

**Network Security Engineer** Jan 2022 - Present

**Abdullah Othaim Markets** | Riyadh, Saudi Arabia

- Manage Cisco and Fortinet firewalls, routers, and switches.
- Monitor Trend Micro IPS and PRTG, and support security incident response.
- Troubleshoot network issues and resolve ServiceDesk incidents.

**IT Support Specialist** Mar 2021 - Jan 2022

**King Saud University** | Riyadh, Saudi Arabia

- Resolved hardware, software, network, and end-user issues.
- Installed and maintained IT systems and managed ServiceDesk incidents.

---

### SELECTED PROJECT

**Home Network Security & Monitoring Lab** | Personal Project

Portfolio: [alaaamri.com](http://alaaamri.com)

- Built a home lab using FortiGate, Cisco switching, Ubuntu Server, and Docker.
- Deployed Pi-hole, LibreNMS, NetBox, Uptime Kuma, Smokeping, and Dozzle; configured firewall policies, NAT, SNMP monitoring, and network documentation.

---

### CERTIFICATIONS & TRAINING

- |                                                                                     |                     |
|-------------------------------------------------------------------------------------|---------------------|
| • CompTIA Security+                                                                 | Sep 2023 - Sep 2026 |
| • Cisco Certified Network Associate (CCNA)                                          | 2021                |
| • Fortinet NSE 4                                                                    | Sep 2025            |
| • NDG Linux Essentials                                                              | Dec 2019            |
| • CompTIA PenTest+ Training   Ministry of Communications and Information Technology |                     |

---

### TECHNICAL SKILLS

**Network Security:** Cisco, Fortinet, Firewalls, Routing, Switching, TCP/IP, SSL/TLS

**Monitoring & SIEM:** PRTG Network Monitor, Splunk, Trend Micro IPS, LibreNMS

**Security Tools & Operations:** Wireshark, Nmap, Nessus, Incident Response, Threat Detection, Vulnerability Assessment

**Platforms & Tools:** FortiOS, Ubuntu Server, Windows, Linux, Docker, NetBox, CLI

---

### EDUCATION

**Bachelor of Science in Computer Science**

Dec 2018

**Taif University** | Taif, Saudi Arabia

---

### LANGUAGES

**Arabic:** Native | **English:** Advanced | **Tagalog:** Intermediate
